Relationship to Student

Date

Payment Information:

After the student has been accepted, the student will be sent a payment link to pay the tuition at the student's My BYU Financial Center account. The student will need to enter their netid and password to access their BYU account.

Sponsor's can set up a BYU netid, and the student can then add the sponsor to their My BYU Financial Center Account to make payments. Information for sponsors and for students can be found at: <https://finserve.byu.edu/mfc-guest-access> .

If a student or sponsor would like to pay with a check drawn on a US bank, the sponsor and student should work together to obtain guest access to the student's My BYU Financial Center account. Payments from checking and bank accounts can be made at that site. If a check must be mailed, please email (elcsec@byu.edu) our office for additional information.
